IT IN BUSINESS

CR is an end to end provider for all your IT needs. Working to deliver solutions into the NFP community since 1998, CR has established an in-depth understanding of the challenges commonly faced and has developed the expertise and experience to deliver solutions that are fit for purpose, whilst helping to deliver savings to your bottom line. Put us to the test today and ask for our no cost and no obligation advice.

LAPTOPS, DESKTOPS AND TABLET COMPUTERS

Whether you are Windows, OS/IOS or Chrome, CR has you covered. With brands like Apple, Microsoft, Lenovo, HP, ASUS, Acer, Toshiba and Dell, just to name a few, CR's ability to deliver the right device at the right price has been tested and proven by many of our Members. Let us guide you through the decision process on which solution/ecosystem is right for your organisation.

AUDIO VISUAL

CR has access to a wide range of AV products from the leading brands and is backed by the right expertise to advise you on the best technology fit for your organisation. Take advantage of our one stop shop for Projectors and Interactive Whiteboards, to Commercial Displays and Digital Signage, plus our professional installation options. You only need to make one phone call to access the right advice.

PRINTING

CR has been advising our Members on print solutions for over 10 years now. If you need a wide format printer for banners, a full multifunction device with scanning, faxing, booklet making and stapling, or just need a desktop printer that does A3 and A4, our strong relationships deliver maximum value for money through our free, brand agnostic experience and advice.

ACCESSORIES

CR can offer you the full range of accessories including cases and covers, laptop bags, cables, peripherals, charge and sync cabinets/trolleys and many more categories. We supply the major brands and can recommend the 'best fit' accessory for your individual need.

DATA, CLOUD AND WIFI

By partnering with the best in the business, CR is able to deliver the complete solution for any requirement. Wi-Fi, SAAS, BAAS, PAAS, DRAAS, Hosted, Hybrid, Public, Private; Let us take the jargon and turn it into plain English so we can then concentrate on your desired business outcomes.

MDM AND SOFTWARE

Managing a small fleet of devices can take time, managing a large fleet can be an enormous job! As your device fleet grows, investing time into a management tool is essential. If you are challenged by the combination of institution owned and BYOD device management, talk to CR about the different management solutions available to your organisation.
